## Our Vision

At DAV, we believe in unleashing the innate excellence in every child.

The emphasis is on nurturing better human beings who always bring out the best in them.

These continuously contributing citizens of a better tomorrow shall be the hall mark of DAV always.

## Our Mission

The school's mission is to foster a learning environment where education is the culmination of the natural progression of a child's world view and not merely an academic reflection. For us, it is important to enquire, explore and innovate rather than just impart. We strive to sculpt our students into true scholars.

## Our Motto

*Sculpting lives by shaping minds.*
