**DAV PUBLIC SCHOOL**  
**BILASPUR (C.G.)**

The image shows the entrance gate of DAV Public School Bilaspur (C.G.). The gate is a large, modern structure with a white top section and dark grey pillars. The school's name is prominently displayed in large, white, 3D letters on the top section. Below the gate, a black metal fence is visible, and in the background, there are lush green trees and a white building, likely the school's main structure. The sky is clear and blue.
